Vice President and General Manager Freeman Says His Road is Well Fixed On This Division.

Judge T. J. Freeman, vice president and general manager of the Texas and Facific railroad, and president of the International and Great Northern road, says the Texas and Pacific does not contemplate any local improvements. "We are well supplied with terminals now," he said. "The union station affords us all the passenger terminal we require, and the freight station is one of the best on the road. Famous "Pint of Cough Syrup" Receipt

No Better Remedy at Any Price. Fully Guaranteed.

Make a plain syrup by mixing one pint of granulated sugar and ½ pint of warm water and stir for two minutes. Put 2½ ounces of pure Pinex (fifty cents' worth) in a pint bottle, and fill it up with the Sugar Syrup. This gives you a family supply of the best cough syrup at a saving of \$2. It never spoils. Take a teaspoonful every one, two or three hours.

The effectiveness of this simple remedy is surprising. It seems to take hold instantly, and will usually stop the most obstinate cough in 24 hours. It tones up the jaded appetite and is just laxative enough to be helpful in a cough, and has a pleasing taste. Also excellent for bronchial trouble, throat tickle, sure funces and assistant and assistan

fungs and asthma, and an unequaled remedy for whooping cough and croup. This recipe for making cough remedy with Pinex and Sugar Syrup (or strained honey) is a prime favorite in thousands of homes in the United States thousands of homes in the United States and Canada. The plan has been imitated, though never successfully. If you try it, use only genuine Pinex, which is the most valuable concentrated compound of Norway white pine extract, and is rich in guniacol and all the natural bealing pine elements. Other preparations will not work in this recipe.

A guaranty of absolute satisfaction, or money promptly rafunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
